

SUPER EIGHT CRICKET 2024

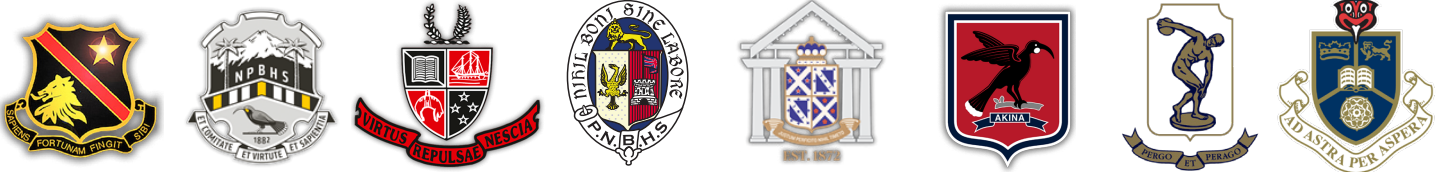

JANUARY 29 - FEBRUARY 1

PALMERSTON NORTH BOYS' HIGH SCHOOL

PNBHS WELCOME

Welcome to Palmerston North, the Riviera of the Lower/Central North Island and the 2023 Super Eight Cricket Tournament.

The Super Eight Schools organisation is a special one, one that is envied throughout the country. Tournaments such as this are a great opportunity for our young men to compete at a high level and to strengthen the bonds between our Super Eight Schools.

Last season saw two of the closest and greatest test matches in our country's history, matches that showed just how exciting the game can be, even games that go for five days. Cricket looks to be in good shape in New Zealand, and it starts at school level. This tournament is an early opportunity to gauge the strength of cricket in our Super Eight Schools as we head towards qualification tournaments later in the term or year.

Congratulations on being selected to represent your school and best wishes for the competition ahead of you.

Tradition, spirit, sportsmanship, camaraderie and strong competition are synonymous with Super Eight and with schools like ours. It is our expectation that 2023 will be no different but that we build on the feats of the past so that the competition gets stronger and stronger.

My thanks, as always, go to the organisers of the tournament, and to the staff from all schools who have given up their time to provide our young men with the opportunity to compete.

I wish all teams well and look forward to the high quality cricket that we will experience throughout the tournament. Enjoy the opportunity to represent your school and accept the challenges you will face.

D. M. Bovey
Rector

SUPER EIGHT BACKGROUND

Formed in 1997, the New Zealand Super Eight Schools' incorporates the eight boys' high schools from their respective provincial cities in the central North Island.

These are:

- Gisborne Boys' High School
- Hamilton Boys' High School
- Hastings Boys' High School
- Napier Boys' High School
- New Plymouth Boys' High School
- Palmerston North Boys' High School
- Rotorua Boys' High School
- Tauranga Boys' College

The first competitions were held in 1998 and involved Rugby and Cricket. Since that time the Super Eight concept has grown to include not only ten sporting competitions but also a cultural festival and professional development programs for senior management and curriculum teachers.

The schools, individually and collectively, reflect a traditional ethos of education, which relates to their long histories as cornerstones of education in their regions. Old boys have a prominence across New Zealand's society as: University academics and educators, senior business managers, professionals and entrepreneurs, civic leaders and politicians, and as sport and cultural icons.

Today the New Zealand Super Eight Schools are synonymous with excellence, innovation in management and outstanding performance on stage and the sports field. The management of the schools' group is rotated on an annual basis and the school leaders meet to establish priorities, discuss initiatives and set guidelines for the ensuing year.
