

SUPER 8 VOLLEYBALL TOURNAMENT

HOSTED BY
HASTINGS BOYS'
HIGH SCHOOL

19TH - 21ST FEB 2024

HASTINGS SPORTS CENTRE

Headmaster's Welcome

On behalf of Hastings Boys' High School we are delighted to host the 2024 Super 8 Volleyball Tournament again at the Hastings Sports Centre facility in Hastings.

The Super 8 Volleyball Tournament, as with other codes that are part of the NZSES Competition, has become a high quality school tournament. Spectators can be assured of watching some of the best Volleyball available between New Zealand schools. Coaches, managers and particularly the players are well aware of the inter school rivalry and the fiercely competitive nature of the games.

Whilst Super 8 Volleyball games are always of a very good standard, the Super 8 schools tournament exhibits all that is good about high level competition. With Super 8 Volleyball, more so than at national tournaments, there has always been an adherence to the rules and respect for the spirit of the game. Everyone involved has a very real feeling of camaraderie and being a part of something really special. I congratulate all players on your commitment and hard work put in over a long period of time as you now represent your school Volleyball team. I am certain that all players will represent their teams and schools with enormous pride. The Super 8 Volleyball tournament will again be excellent preparation for your respective national tournaments. It is a tremendous opportunity to play top opponents in a pressured tournament format.

Thanks again to all of the management teams and officials who make this tournament so special. Without the dedicated coaches, managers and umpires this would not be possible. I realise the huge sacrifices you all make so my thanks for these, but I also know of the real satisfaction that is gained by being involved with so many positive and passionate young men. Your parents and caregivers deserve thanks for the incredible support they have given over a long period of time. The Volleyball programmes that your schools have built require significant investment in terms of time and finance so this too should be recognised.

I wish you an enjoyable and successful Super 8 tournament. Learn as much as you can from your coaches and from each other. Make new friends and rekindle old friendships, have fun and play good Volleyball. We hope that you enjoy your stay in Hawke's Bay as well as the fantastic facilities at the Hastings Sports Centre in Hastings.

Good luck to all teams now and in your local competitions this year.

Quentin Crawford
Acting Headmaster
