

SUPER EIGHT BASKETBALL COMPETITION

HOSTED BY
PALMERSTON NORTH
BOYS' HIGH SCHOOL

5TH - 7TH AUGUST 2024

CENTRAL ENERGY TRUST ARENA

PNBHS Welcome

Welcome to Palmerston North and the 2024 Super Eight Basketball Tournament.

The Super Eight Schools organisation is a special one, and one that is envied throughout the country. Tournaments such as this are a great opportunity for our young men to compete at a high level and to strengthen the bonds between our Super Eight Schools.

Basketball has grown hugely in popularity in New Zealand in recent years. It is the second-most played sport at secondary schools throughout the country with more than 26,000 young men and women playing the game. The NBA and now the 2024 Olympic Games basketball competition draw huge numbers of viewers from around the world. It is a truly global sport.

This tournament is an early opportunity to gauge the strength of basketball in our Super Eight Schools as we head towards regional qualification tournaments later in the year.

Congratulations on being selected to represent your school and best wishes for the competition ahead of you.

Tradition, spirit, sportsmanship, camaraderie, and strong competition are synonymous with Super Eight and with schools like ours. It is our expectation that 2024 will be no different but that we build on the feats of the past so that the competition gets stronger and stronger.

My thanks, as always, go to the organisers of the tournament, and to the staff from all schools who have given up their time to provide our young men with the opportunity to compete.

I wish all teams well and look forward to the high-quality cricket that we will experience throughout the tournament. Enjoy the opportunity to represent your school and accept the challenges you will face.

The Origin of Super Eight

Formed in 1997, the NZ Super Eight Schools incorporates the eight boys' high schools from their respective provincial cities of the Central North Island.

Tauranga Boys' College

Gisborne Boys' High School

Hamilton Boys' High School

Hastings Boys' High School

Napier Boys' High School

New Plymouth Boys' High School

Palmerston North Boys' High School

Rotorua Boys' High School

The first competitions commenced in 1998 involving Rugby and Cricket. Since that time the Super Eight concept has grown to include 10 sports' competitions, a cultural festival, academic scholar awards and professional development programmes for teachers.

The schools individually and collectively reflect a traditional ethos based on boys' education. Old boys have a prominence across New Zealand's society as university academics and educators, senior business managers, professionals and entrepreneurs, civil leaders and politicians, as well as sport and cultural icons.

Today, the New Zealand Super Eight Schools are synonymous with excellence in boys' education, innovation in management and outstanding performance on the stage and the sports field. The management of the Super Eight Schools is rotated on an annual basis and school leaders meet to establish priorities, discuss initiatives and set guidelines for the ensuing year.
