

SUPER EIGHT HOCKEY 2025

JULY 28TH - 30TH

PALMERSTON NORTH BOYS' HIGH SCHOOL

PNBHS WELCOME

Welcome to Palmerston North and the Super Eight Hockey
Tournament for 2025.

These tournaments are a great opportunity for our young men to compete at a high level and to strengthen the bonds between our Super Eight schools. The Super Eight Schools organisation is a special one.

I sincerely hope that you will enjoy your time in Palmerston North and that you take the opportunity to meet new people and develop friendships over the course of the competition. Rivalries will be renewed through competitive matches. Enjoy the competition and, as industrialist Henry Kaiser said, "Taste the relish to be found in competition – in having put forth the best within you."

My thanks go to the organisers of the tournament, and to the staff from all teams who have given up their time to provide our young men with the opportunity to compete.

I would like to wish all the teams the best of luck for the tournament. Safe travels and strong competition.

D. M. Bovey
Rector

SUPER EIGHT BACKGROUND

Formed in 1997, the New Zealand Super Eight Schools' incorporates the eight boys' high schools from their respective provincial cities in the central North Island.

These are:

- Gisborne Boys' High School
- Hamilton Boys' High School
- Hastings Boys' High School
- Napier Boys' High School
- New Plymouth Boys' High School
- Palmerston North Boys' High School
- Rotorua Boys' High School
- Tauranga Boys' College

The first competitions were held in 1998 and involved Rugby and Cricket. Since that time the Super Eight concept has grown to include not only ten sporting competitions but also a cultural festival and professional development programmes for senior management and curriculum teachers.

The schools, individually and collectively, reflect a traditional ethos of education, which relates to their long histories as cornerstones of education in their regions. Old boys have a prominence across New Zealand's society as: University academics and educators, senior business managers, professionals and entrepreneurs, civic leaders and politicians, and as sport and cultural icons.

Today the New Zealand Super Eight Schools are synonymous with excellence, innovation in management and outstanding performance on stage and the sports field. The management of the schools' group is rotated on an annual basis and the school leaders meet to establish priorities, discuss initiatives and set guidelines for the ensuing year.
