NPBHS WEBSTER FIELD
& STRATFORD HOCKEY TURF

NPBHS WELCOME

Welcome to New Plymouth and the Super Eight Hockey Tournament for 2026.

On behalf of New Plymouth Boys' High School, I am pleased to welcome you to the 2026 New Zealand Super Eight Schools' Hockey Tournament.

I have attended many of these tournaments over the years, and I am always impressed by both the quality of the competition and the sportsmanship displayed by all teams.

It is a pleasure for us to host the very best secondary school hockey teams in New Zealand, and I wish everyone the very best for the days ahead.

To be selected for a premier team is a significant honour, and I congratulate every player who has earned a place in his school's 2026 squad.

Super Eight represents the best of the best and provides an opportunity for players to express themselves, showcase their skill and determination, and perform in front of whānau, friends, and supporters.

The strength of Super Eight, however, is not measured only by who wins or loses. It is also found in the brotherhood, connections and shared experiences that are created through competition and these often last well beyond the tournament itself.

I also take this opportunity, on behalf of the Headmasters of all participating schools, to thank the coaches, managers, officials and sponsors whose commitment, time and support make this tournament possible. Your passion for the game and dedication to the players, teams and schools is greatly appreciated.

My very best wishes to all. Enjoy the competition, embrace the opportunity, and represent your school with pride.

Mr Sam Moore
Headmaster
New Plymouth Boys' High School

Tournament Organisation and Procedures

- New Plymouth Boys' High School will host the annual formal tournament dinner on site in the Sir Graeme Douglas Dining Room at 6:15 PM on Sunday, 2nd August. Team vans can park on school grounds accessible via the Memorial Gate entrance (parking behind Pridham Hall).
- The Managers' meeting will be held during the dinner on Sunday, 2nd August, starting at 6:45 PM in the NPBHS Staffroom.
- A signed copy of the registration form, completed with the Principal's signature, is required at this meeting for any changes to those already submitted.
- The tournament will be run using Hockey NZ Rules.
- All games will be played at the New Plymouth Turf, with the exception of two Round 3 matches on Tuesday, which will be played at the Stratford Turf. This has been arranged to provide certainty of venues and maximise the time between round-robin and crossover matches. The Stratford Turf is approximately a 30-minute drive from New Plymouth.
- Game times may be subject to change if matches are televised or live streamed.
- Changing rooms are available for all teams in the Fookes Pavilion on Monday and Tuesday, should they be required. On Wednesday, changing rooms will be allocated to each team.
- Toilets are located next to the Turf or in Fookes Pavilion.
- Alternate strips between schools with similar colors will be decided at the Manager's meeting.
- Umpires will be provided for each game.
- A results sheet will be posted in the dugouts at both venues each morning. The tournament convenor will email a results sheet of the day's play to all managers each evening.
- At the end of Pool Play, if teams are tied on equal points, goals for and against will be used against only the teams that are tied in their pool to determine final placings, as per HNZ rules. Semi-finals and final placing games will be decided by shootout in the case of a tie.
- Ice will be available each day from the dugout.
- A brief prize-giving will be held immediately following the final so teams can depart promptly.
- We extend our thanks to the Super Eight schools, along with Taranaki Hockey and Wellington Hockey, for supplying umpires and supporting the successful delivery of the tournament.
